First Surveillance	Second Surveillance	Third Surveillance
--------------------	---------------------	--------------------

General Manager, Wang Xiaodong

The first surveillance after the initial certification shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, the surveillance audit shall be conducted at least once every calendar year (except the year of recertification), and the interval between the two surveillance audits shall not exceed 15 months.

The certification organization must conduct surveillance audit regularly and the registration certificate continues effective after the eligible surveillance audit. The compliance label will be attached to the registration certificate after the eligible surveillance audit.

Where the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate will become invalid with the invalidation of the relevant administrative license or national compulsory certification certificate.
